How did you find out about Re-Union?				

It is the nature of outdoor and boating activities that there is a certain degree of risk. By signing below I agree that the group will accept this risk and obey all safety instructions given by staff and crew on Re-Union trips.

Although we are not cruising in remote areas, if an emergency does occur it takes time for emergency services to get to the boat. The responsible person accompanying the group on the day should be aware of any potential health issues amongst their party, and able to deal with problems which may arise. Please inform us if there is any information you think we should know.

Please also note that the Re-Union boat is a no-smoking environment.

I declare that the information on this form is correct and I have not withheld any relevant information.
